PATRON SPEAKS

Greetings, Alumni!

It's a distinct honour to present the 31st edition of PSG CASIANS. The final quarter of 2025 was marked by milestone moments that demonstrate PSG's exceptional academic standards.

We're proud that PSG College of Arts & Science secured the 10th rank in NIRF 2025, solidifying our standing as one of the top autonomous institutions in the country. Our commitment to fostering development is evident through The Centre for Innovation, Incubation & Entrepreneurship (CII&E), recognised among the Top 15 Incubation Centres at the Tamil Nadu Global Start-up Summit 2025. Our students are turning ideas into practical solutions that address real-world challenges.

We made history as the first Arts & Science college to host the 6th edition of the South Zone Institutions' Innovation Council Regional Meet, which highlights our institution's strong emphasis on entrepreneurship.

The alumni reunions of the 2000-2003 BBM and 1999-2002 B.Sc. Computer Science cohorts took place this quarter, strengthening the ties within our global family. I take great pride in our young alumni entrepreneurs, whose start-up received a pre-seed grant from the Government of India. This is a prime illustration of the creative and enterprising mindset that PSG CAS fosters. Our students' accomplishments in academics, state and national athletics, and cultural pursuits are equally impressive.

I extend my deep appreciation to our faculty, staff, students, and alumni, whose tireless dedication has been instrumental in carrying forward the PSG legacy. Marking a century of excellence, we remain dedicated to integrating knowledge with values to serve society.

L. Gopalakrishnan

Managing Trustee,
PSG & Sons' Charities

PRESIDENT SPEAKS

Dear Esteemed Alumni,

Warm greetings from the PSG Arts Alumni Association. It gives me immense pleasure to share with you the highlights of yet another vibrant and eventful quarter that truly reflects the strength, spirit, and collective pride of the PSGCAS alumni fraternity.

This quarter witnessed heart-warming alumni reunions that rekindled memories and strengthened bonds among our alumni. The reunion of the 2000–2003 BBM batch held on 15th November 2025 at the Council Hall, followed by the 1999–2002 B.Sc. Computer Science batch reunion on 27th December 2025 at Brahman Hall, were wonderful occasions of camaraderie, nostalgia, and renewed commitment to our alma mater. I sincerely thank all the alumni who took time to reconnect and make these events meaningful. In addition, the Third Executive Committee Meeting of the PSG Arts Alumni Association held on 4th December 2025 marked an important step in planning future initiatives aimed at enhancing alumni engagement and contribution.

I am particularly proud to highlight the remarkable achievement of our young alumni entrepreneurs, Mr. Sai Vishnu K, Ms. Akshaya P, and Ms. Selshiya, whose start-up Eden Private Limited has received a pre-seed grant of Rs.5,00,000/- under the prestigious RKVY-RAFTAAR program of the Government of India. Such accomplishments exemplify the innovative and enterprising spirit nurtured at PSGCAS.

Our pride is further amplified by the outstanding achievements of PSG College of Arts & Science at the national and state levels. Securing the 10th rank in the NIRF 2025 College Category is a testament to the institution's unwavering commitment to excellence in higher education. The recognition received at Raj Bhavan, Chennai, and the college's active participation in the Conclave of Excellence reflect PSGCAS's leadership in best practices and quality education. The recognition of the Centre for Innovation, Incubation & Entrepreneurship among the Top 15 incubation centres in Tamil Nadu, along with the TN Incubator Scale-up Grant, and the successful hosting of the IIC Regional Meet 2025 further underscore the institution's strong focus on innovation, entrepreneurship, and societal impact.

I extend my heartfelt congratulations to the management, faculty, students, alumni, and all stakeholders who continue to contribute to these achievements. Let us remain connected, inspired, and committed to giving back to our alma mater in meaningful ways. Together, we can continue to build a strong legacy for PSGCAS and its alumni community.

With warm regards and best wishes,

J. Prithiviraj

President

PSG Arts Alumni Association

PSG Arts Alumni Association has a full-fledged office from the year 2007. The Alumni Executive Committee meets once in three months. One of the main purposes of our Alumni Association is to support a network of former graduates who will, in turn, help to raise the profile of the college. They participate as mentors and donors for the students. Alumni Association awards scholarships to meritorious students. Every year, our alumni association celebrates Teachers' Day and honors all the past and present teachers of the college. It organizes two to three fund raising programmes with the support of the Office Bearers and Committee Members to help the students through scholarships. Number of alumni get-togethers and Silver Jubilee Reunions are organized by the association.

PSG ARTS ALUMNI ASSOCIATION NEWS

Alumni reunion of 2000-2003 BBM batch held on 15.11.2025, 9.00 am to 4.00 pm at Council Hall, PSG CAS.

PSG Arts Alumni Association Third Executive Committee Meeting held on 4th December 2025, 5.00 pm at Council Hall, PSG CAS.

Alumni reunion of 1999-2002 B.Sc Computer Science batch held on 27.12.2025, 9.00 am to 5.00 pm at Brahmam Hall, PSG CAS.

Alumni Achievements

The start-up Eden Private Limited of Mr.Sai Vishnu K (23MMB026), Ms. Akshaya P (23MMB002), and Ms. Selshiya (23MMB027), was sanctioned ₹5,00,000/- under the "Arise" Pre-Seed category of the Innovation & Agri-Entrepreneurship Program, RKVY-RAFTAAR, implemented by ICAR-IARI, Pusa, New Delhi, under the Ministry of Agriculture & Farmers Welfare, Government of India.

Institution NEWS

Accolades

PSG College of Arts & Science has been ranked 10th in the College Category in India Rankings 2025 by the National Institutional Ranking Framework (NIRF), Ministry of Education, Government of India. Hon'ble Governor of Tamil Nadu, Thiru. R. N. Ravi invited the top 20 ranking institutions in all the categories of NIRF 2025 for a one-day "Conclave of Excellence in Higher Education of Tamilnadu" on 08/10/2025 at Raj Bhavan, Chennai. He felicitated the top 20 NIRF ranking institutions. PSGCAS made a three-minute presentation on the best practices and strategies adopted for achieving the rank. The Secretary, the Principal in-charge, the NIRF Nodal Officer, and the IQAC Coordinator participated in the event.

TN Incubator Scale-up Grant

The Centre for Innovation, Incubation & Entrepreneurship (CII&E) was recognized among the Top 15 Incubation centres in Tamil Nadu during the Global Startup Summit 2025 held on October 9-10, 2025, at CODISSIA, Coimbatore. The centre received a TN Incubator Scale-up Grant of ₹5,00,000 from Startup TN for excellence in innovation and entrepreneurship. The sanction order was officially handed over on 10th October 2025, by Dr. J. Jeyaranjan, Vice Chairman, State Planning Commission, and Mr. Sivarajah Ramanathan, Mission Director & CEO, Startup TN, Government of Tamil Nadu.

PSGCAS hosts Institution's Innovation Council (IIC) Regional Meet 2025

The 6th Edition of Institution's Innovation Council (IIC) Regional Meet 2025 – South Zone was organised by AICTE, New Delhi, and Ministry of Education's Innovation Cell, Government of India, and hosted by The Institution's

Innovation Council of PSG College of Arts & Science, Coimbatore, on 25th November 2025 at GRD Auditorium. Around 1600 participants from 391 Higher Education Institutions across South India participated in the event. The event began with the welcome address by Dr. M. Senguttuvan, Principal-in-Charge. Dr. T. Kannaian, Secretary of the college, felicitated the program. Dr. Raghab P. Dash, Advisor-I, AICTE, delivered the Chief Guest address. Dr. S. Vincent, Member Secretary, TNSCST, Shri. Iakoka M. Subramaniam, Chairman, Franstek Belts Pvt. Ltd., and Mr. K.A. Alagarsamy, Director, Consortium for Technical Education, delivered the special address on Innovation and Entrepreneurship. The inaugural session also featured the live telecast of the Central Inauguration from AICTE, New Delhi, connecting institutions nationwide. Dr. Krishnaveni N, IIC Convenor of the college, proposed the vote of thanks. As part of the meet, delegates inaugurated the Open House Events- YUKTI Innovation Exhibition, IIC Poster Display, and the Swadeshi Udyami Bazaar, which highlighted student innovations, institutional achievements, and indigenous products by entrepreneurs under the "Vocal for Local" initiative. The afternoon session began with a series of technical sessions and masterclasses led by innovation ambassadors, ecosystem leaders, and industry mentors.

focussing on strengthening institutional innovation ecosystems, promoting student-led entrepreneurship, and building faculty capacities in innovation management. Out of the 48 Swadeshi Udyami Bazaars organised, five teams were selected, and five of the best posters presented by participating institutions were also recognised and honoured. Additionally, from over 300 Innovation Displays, five were adjudged best, and awarded for their strong market fit and scalability potential. The event highlighted the nation's commitment to fostering Innovation and Entrepreneurship.

Student ACHIEVEMENTS

F/C SHARUKESH M (23BMA037) of III B.Sc. Mathematics, represented Tamil Nadu, Puducherry & Andaman Nicobar NCC directorate in the prestigious All India Vayu Sainik Camp 2025 held at Air Force Station, Jalahalli, Bangalore from 18.09.2025 to 29.09.2025

F/C VAISHNAVI S (24BMA048) of II B.Sc. Mathematics, represented Tamil Nadu, Puducherry & Andaman Nicobar NCC directorate in the prestigious ALL INDIA VAYU SAINIK CAMP 2025 held at Air Force Station, Jalahalli, Bangalore from 18.09.2025 to 29.09.2025

Student innovators, Sachindra (II MSc Applied Electronics) & Raguram Kathirvel (II B.Voc Food Processing Technology) of PSGCAS received the cash award with recognition as the best performing team in UPCYCLE 2K25, organised by Vinayaka Mission Research Foundation on 28th and 29th November 2025.

Campus ACTIVITIES

8th Annual Book Fair @ PSG CAS

The Department of Library organized the 8th Annual Book Fair on December 4-5, 2025, at Brahmam Hall, PSG CAS. The fair was inaugurated by Dr. M. Senguttuvan, Principal-in-Charge, along with Secretary Dr.T.Kannaian. A total of 12 vendors from Coimbatore, Chennai, and Bangalore participated, showcasing a wide range of books. More than 50,000 books were displayed during the event. Dr. T. Kannaian, Secretary, honored all participant vendors with a memento. With more than 4000 faculty and student participants, the event was a grand success, promoting reading culture and providing a platform for booklovers to explore and engage.

Participation in NTF Survey

The National Task Force (NTF) online Survey on Mental Health and Well-being was carried out among the students, teaching and non-teaching faculty members, and parents. The survey link was circulated across the College, and 2380 responses were recorded. The data provided through this survey will contribute meaningfully to the national understanding of mental health challenges in higher education.

Academic ACTIVITIES

State-Level Seminar on Empowering Elderly Health: Synergizing Dietetics, Nutrition Science, and Support Systems

The Department of Clinical Nutrition and Dietetics, PSG College of Arts & Science, organised a two-day State-Level Seminar on "Empowering Elderly Health: Synergizing Dietetics, Nutrition Science, and Support Systems" on 4th and 5th December 2025. The seminar commenced with an inaugural ceremony addressed by Dr. Bhuvaneshwaran, Director of PSG Hospitals. Secretary Dr.T.Kannaian, Senguttuvan, Principali/cDr.MSenguttuvan, and

Dr.Premagowri, Head of the Department, also graced the occasion.The technical sessions covered diverse aspects of geriatric care, including geriatric health assessment, AI and innovations in elderly care, legal protection against elder abuse, and psychological well-being in elderly care. A total of 150 participants attended the seminar, funded by the National Institute of Social Defence (NISD), and Ministry of Social Justice and Empowerment, Government of India.

Research and Development Orientation Programme

The Centre for Innovation, Incubation & Entrepreneurship (CII&E) and the E-Cell of PSGCAS, in collaboration with the Institution's Innovation Council (IIC), hosted the faculty & student R&D orientation programme on 06/11/2025. The programme highlighted the connection between research outcomes and societal impact, with insights on Viksit Bharat, BioE3 Scheme, and the Innovation Readiness Level (IRL) and Technology Readiness Level (TRL).

ATL School Teachers Review Meeting

PSGCAS CII&E, jointly with Entrepreneurship Development and Innovation Institute – Tamil Nadu (EDII-TN), Government of Tamil Nadu, hosted the ATL School Teachers Review Meeting at PSGCAS on 20/11/2025. This program's focus was to strengthen the initiative of Atal Tinkering Labs (ATLs) under EDII-TN and AIM-NITI Aayog. More than 50 ATL School Teachers from various government and private schools in the Coimbatore district attended the meeting. Mrs. K. Saranya, District Program Manager, EDII-TN (Coimbatore) Mr. R. Balamurali, Chief Education Officer, Coimbatore, Thiru. R. Ambalavanan, IAAS, Director, EDII-TN, Government of Tamil Nadu were the keynote speakers

Science Academies' Lecture Workshop on Technologies for Space Research

Science Academies' Lecture Workshop on "Technologies for Space Research" was held on 22/12/2025 and 23/12/2025. The workshop featured lectures by Prof. B.S. DayaSagar, Head of the Indian Statistical Institute, Bangalore, Prof. Ashok PriyadarshanDimri, Director, Indian Institute of Geomagnetism (IIGM), Mumbai, Prof. GadiyaraChakrapaniAnupama, Senior Professor, Indian Institute of Astrophysics, Bangalore and Dr. A. Kaviyarasu, Assistant Professor, Department of Aerospace Engineering, Madras Institute of Technology, Chennai.

Mobile Exhibition on Space on Wheels

The Astronomy Club, in association with the Indian Space Research Organization (ISRO), organised the "Space on Wheels" mobile exhibition on 08/12/2025 and 09/12/2025 to enhance scientific awareness, inspire curiosity in astronomy, and promote interest in India's space missions. Around 7,900 participants visited the exhibition. The resource person, Shri N Kumar, Library Officer "D", SDSC SHAR, ISRO, Sriharikota, delivered an exclusive interactive session with the students of the Physics Department, Electronics Department, and members of the Astronomy Club.

8th Annual Book Fair

The Department of Library organized its 8th Annual Book Fair on 04/12/2025 and 05/12/2025 at Brahmam Hall. More than 50,000 books were displayed during the event, which provided a platform for book lovers to explore and engage.

KalvikoodangalilKambar 2026

The Department of Tamil (Aided) in association with Sastra University, Thanjavur, hosted KalvikoodangalilKambar 2026 - a regional level semi-finale oration competition on 04/12/2025 and 05/12/2025 to disseminate Kambar's literary knowledge and enrich the vocabulary of school and college students of Coimbatore, Tirupur, Erode, Karur, and The Nilgiris districts.

Extension ACTIVITIES

Industrial Visits: Bridging Academia and Industry

Total Students Attended: 170

Industrial visits were carefully curated to align with students' academic disciplines, helping them connect textbook concepts with professional practices.

Food Processing Technology: From Farm to Factory

Students of I B.Voc Food Processing Technology visited the Food Processing Centre, PSG College of Arts and Science, Coimbatore. Under the guidance of Dr. S. Uma Maheshwari and Dr. Thamiloia SA, students explored fruit and vegetable processing methods and learned about the functions and applications of modern food processing equipment.

Outcome: A clear understanding of processing workflows and industrial machinery.

Economics in Action: Understanding Port Operations

Students from III BA Economics undertook insightful visits to New Mangalore Port and Indian Oil Tank Farm, Mangaluru. Guided by a team of experienced faculty members, they observed port logistics, trade mechanisms, and large-scale infrastructure.

Outcome: Practical knowledge of port functioning and economic activities linked to trade and transport.

Hospitality Management: Inside a Star Hotel

The I B.Sc. Hospitality and Tourism Management students visited The Residency Towers, Coimbatore. Faculty members accompanied students through various departments, explaining real-time hotel operations.

Outcome: A deeper understanding of food and beverage services and day-to-day hotel management.

Ports and Global Trade

Another Economics (SF) cohort visited Kamarajar Port Limited, Chennai, to understand export-import processes and port-based economic activities.

Outcome: Enhanced awareness of international trade operations and logistics.

Environmental Science (EVS) Visits: Learning for a Sustainable Future

Total Students Attended: 428

EVS visits emphasized sustainability, biodiversity, conservation, and responsible resource management.

Exploring Ecosystems & Waste Management

Students from the English Department conducted extensive field visits across Tamil Nadu, studying waste management systems, biodiversity, rainwater harvesting, and energy conservation.

Outcome: Observational learning on environmental protection and ecosystem balance.

Science, Sustainability & Society

Students of Commerce – Banking & Insurance visited the Regional Science Centre, TNAU, and Singanallur Lake.

Interactive exhibits connected science with sustainable development goals.

Outcome: Improved awareness of environmental protection and SDGs.

Field Visits Across Tamil Nadu

Commerce students explored multiple locations across Coimbatore, Tirupur, and other regions, focusing on ecological responsibility.

Outcome: A strong sense of commitment toward conserving natural resources.

Day with a Farmer: Learning from the Roots

Commerce – Computer Applications students spent a day with farmers, learning about crop management, irrigation, and agricultural technologies.

Outcome: Firsthand insight into farming practices and farmers' socio-economic challenges.

Wastewater & Environmental Health

Students of Carnatic Music visited the Sewage Water Treatment Plant at PSG College of Arts & Science.

Outcome: Understanding the role of wastewater treatment in reducing pollution and protecting ecosystems.

Nature, Trade & Conservation

Students from Commerce – Foreign Trade and Computer Technology departments visited botanical gardens, lakes, nurseries, and agricultural fields.

Outcome: Awareness of sustainable gardening, biodiversity conservation, and eco-friendly practices.

Extracurricular ACHIEVEMENTS

National Workshop on Analysing Large-Scale Household Survey Data Sets for Research in Social Sciences

The Department of Economics (Aided) in association with the Indian Association for Social Sciences & Health (IASSH) and Centre for Development and Environment Research (CDER), Coimbatore, organised this workshop from 06/10/2025 to 10/10/2025. The resource persons included Dr. V. Selvaraju, Consultant, World Bank & WHO, Prof. P. Geetha Rani, Department of Educational Planning, NIEPA, New Delhi, Dr. Harihar Sahoo, Associate Professor & Head, Department of Family and Generations, IIPS, Mumbai, and Dr. Manoj Alagarajan, Associate Professor, Department of Fertility & Social Demography, IIPS, Mumbai.

Naan Uyir Kavalan pledge

As part of the "Naan Uyir Kavalan" initiative, a pledge-taking programme was organized at PSG College of Arts & Science, Coimbatore, from 6th to 9th October 2025 to promote awareness on road safety among students and staff. Supported by the Coimbatore City Police, the campaign aimed to instill a sense of responsibility and discipline in road usage. A total of 7269 participants, including 7110 students and 159 staff members from various departments, actively took the pledge to follow traffic rules and ensure safety on the roads.

Space on Wheels

The Astronomy Club of PSG College of Arts & Science, in association with the Indian Space Research Organisation (ISRO), organised the "Space on Wheels" mobile exhibition on 8th and 9th December 2025. The event was inaugurated by the Principal i/c Dr. M. Senguttuvan, and Secretary Dr T. Kannaian. The ISRO exhibition bus showcased an impressive collection of launch vehicle models, including SSLV, PSLV, GSLV, and LVM3, displayed in scale replicas. Detailed mission panels on Chandrayaan-I, II, III, Mangalyaan, Aditya, and various Earth-observation satellites were exhibited with illuminated pathways explaining orbital trajectories. Satellite models such as INSAT, GSAT, and remote-sensing satellites were displayed, enabling students to understand communication and payload systems. Throughout these days, 7,900 participants visited the exhibition. The exhibition successfully acted as a bridge between classroom learning and real-world space science applications, igniting scientific enthusiasm among students from various disciplines. Apart from this, Shri N. Kumar, ISRO Resource Person, delivered an exclusive interactive session with the students of the Physics Department, Electronics Department, and members of the Astronomy Club. He elaborated on the various research and internship opportunities available at different ISRO centres, guiding students on the eligibility criteria, application procedures, and the nature of project work carried out by ISRO teams. The event received overwhelmingly positive feedback, strengthening the institution's commitment to promoting STEM education and scientific literacy.

Sports ACTIVITIES

PSGCAS Men's Tennis Team represented Bharathiar University & secured a Bronze medal in the 5th Edition of KheloIndia University Games 2025, held in Rajasthan from 28th November to 4th December 2025.

Alumni Engagement

Expert Insights from the Frontlines of Defence & Environment

The Department of Environmental Science was privileged to host Dr. K. Kadirvelu, Scientist 'G', DEBEL-DRDO, Ministry of Defence, Government of India. In his expert lecture on "The Role of Environmental Parameters Consideration in the Making of DRDO Products - II", students gained deep insights into how environmental conditions influence defence product design and performance.

Outcome: Participants developed a strong understanding of environmental parameters and defence mechanisms, linking academic concepts with national-level applications.

Career Pathways in Environmental Health & Safety

Another enriching session was delivered by Ms. Prasiddha M R, EHS Associate at Catalyst Group Pvt. Ltd., Chennai. Her career guidance session on "The Scope of the Industrial Safety Diploma Course" opened students' eyes to emerging opportunities in the corporate EHS sector.

Outcome: Students became aware of diverse career options and professional pathways available through EHS diploma qualifications.

Data Analytics in Practice: Learning from Global Expertise

The Department of Statistics organized a hands-on training programme on Data Analytics using Python, led by Mr. Thulasidass Pounraj, Lead AI/ML Engineer at Westfield Insurance, USA.

Outcome: Participants gained practical exposure to Python programming, strengthening their analytical skills and industry readiness in data-driven domains.

Career Compass: Alumni Mentorship for IT Aspirants

The Commerce – Business Process Services department conducted an online alumni mentorship programme titled "Career Compass: Alumni Mentorship for TCS Aspirants – Industry 360° & Domain Mastery".

Ms. Swetha J and Ms. Uma Bharathi S, both professionals at Tata Consultancy Services, Chennai, shared real-world insights on corporate expectations, interview preparation, and skill development.

Outcome: The programme enhanced placement preparedness, clarified career roles, and boosted student confidence while nurturing meaningful alumni-student connections.

Industry Collaboration & Festive Learning

A significant milestone was marked by the Hospitality Management and Catering Science & Hotel Management departments through an MoU signing with Mr. Umapathy, General Manager, O by Tamara, Coimbatore. The event, combined with a festive fruit-mixing activity, blended learning with celebration.

Outcome: The initiative fostered experiential learning, strengthened industry collaboration, and created new avenues for student development.

From Experience to Expertise: A Journey of Inspiration

The Department of International Business hosted Mr. Nitheesh Kumar, digital creator and real estate entrepreneur, for a motivational guest lecture titled "From Experience to Expertise – The Journey That Built Me".

Outcome: Students received practical career insights, entrepreneurial motivation, and clarity on navigating professional challenges in a competitive world.
