PATRON SPEAKS

Dear Alumni,

The 30th edition of PSG CASIANS marks not just a milestone in publishing but also reflects the enduring bond we have nurtured over the years.

The recent months at PSG CAS have been especially rewarding. The College's rise to the top 10 of the National Institutional Ranking Framework (NIRF) 2025 and the Green Champion Award 2024 by the Government of India underscore our commitment to academic excellence and environmental responsibility. The Centre for Innovation, Incubation & Entrepreneurship (CII&E), earning a place among the Top 15 Incubation Centres in the state, stands as a proud testament to our culture of creativity and enterprise.

Our Foundation Day 2025, graced by Dr. S. Narayanan, Chairman, ISRO, celebrated 78 years of our illustrious journey. We also recognised the professional achievements of inspiring alumni who impact industries worldwide. Equally memorable was the 38th Graduation Ceremony, where over 4,000 graduates stepped confidently into a world of opportunities – embodying the values PSG cherishes.

Adding to our pride, Ms. Tanisska Senthil Kumar brought laurels to India and to PSGCAS by winning three gold medals at the Asian Shooting Championships 2025, exemplifying the well-rounded excellence we strive to nurture.

With the centenary within sight, we remain steadfast in our mission: to enlighten with empathy, pioneer with integrity, and uplift with humility. Each accomplishment brings us closer to a future that honours our founding vision.

With appreciation to our faculty, students, and alumni for their unwavering dedication, I extend my best wishes for continued growth and fulfilment.
